

## Application documents for the diploma postgraduate programme

### Animation - Technical Directing

The following application documents must be submitted **via upload to the application portal** at the same time as the application for admission to the degree programme:

A completed degree in a related discipline:

- Please submit proof of a diploma, bachelor's or master's degree from a university or college in subjects such as computer science, media, maths, etc. Good programming skills and a general interest are required as well as a general interest in working in the media industry, which must be proven by certificates and work samples.
- Proof of approx. 6 months of practical experience within the (media) industry
- Curriculum vitae in tabular form (computerised/typescript)
- Letter of motivation (max. one page DIN A4)

### Work samples

In addition to the above-mentioned application documents, a work sample must be submitted via upload:

- Demo reel, publication, demo film, film clip (maximum 5 minutes long, digital only, no physical media) and/or executable programmes as URL download. Please state your contribution to the work and describe it in detail.
- Data volume: Please note that the work samples you submit must not exceed the data volume of 4 GB under any circumstances!
